

May 30th, 2018

Hello Generous Supporter,

I'm inviting you to have an evening of laughs while you help raise money for an organization very dear to you.

Saturday, June 9th at 5:30p...I'm doing a comedy show at the world famous Ice House in Pasadena. The proceeds will benefit an organization you are passionate about...Renal Support Network. The money raised will go to education and support. Plus, we'll help put a smile on many young faces by helping to support the 20th annual prom for kids with kidney disease.

I've won 4 Emmy awards for my comedy specials...been on the Tonight Show with Jay Leno and Johnny Carson...and opened for the great Ray Charles in concert. I've traveled all over the country this past year performing my show about being over 50 called, " Defying Gravity". Some reviews:

"a hysterical baby boomer support group!"

"Fritz has become a sage for those of us of a certain age!"

"Getting old isn't pretty...but, this show proves it is funny!"

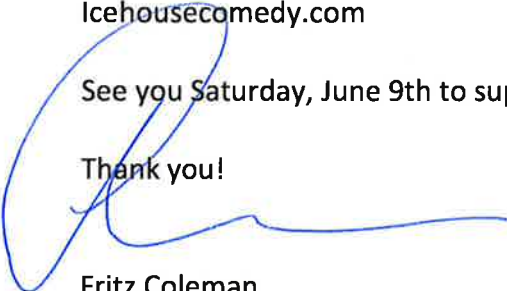

"Killer...and clean!"

We will only get credit for advance ticket sales. So, please...head over to the website and get your tickets now!

Icehousecomedy.com

See you Saturday, June 9th to support Renal Support Network!

Thank you!

Fritz Coleman
