

*Dear Santa, all I want
for Christmas is:*

*A sleigh ride
to a doctors appointment
when I am unable
to take myself.*

*Someone to visit me
and have tea and cookies
when I dont feel like going out.*

*Money to pay for a month
of my prescription.*

*Someone to run an errand
for me when I can't
because I don't feel well.*

*Your friendship is a special gift
generously given, happily accepted,
and deeply appreciated!*
