Where your tax-deductible donation is going...

Renal Support Network's programs help hundreds of thousands of people who have kidney disease and their families, whether they are in the early stages of the disease, are on dialysis, or have a kidney transplant. All programs are offered nationally no charge.

We offer:

- Renal Teen Prom
- KidneyTalk™ Podcast Show
- Patient Education Meetings
- Educational Materials
- Annual Essay Contest
- Support Group & Peer Support Hotline
- Advocacy on National and Local Level

Visit RSNhope.org to see all programs.

About RSN

Renal Support Network (RSN) empowers people who have kidney disease to become knowledgeable about their illness, proactive in their care, hopeful about their future and make friendships that last a lifetime.

Lori Hartwell, president of RSN and chairman of the event, was diagnosed in 1968, at the age of two with kidney failure and knows how important hope, peer connection and knowledge are

March is World Kidney Month Kidney Disease Facts:

- High blood pressure and diabetes are the two leading causes of kidney disease.
- Early diagnosis and treatment is essential. Know the warning signs and get tested.

RSNhope.org/KidneyDiseaseFacts

Kids shouldn't get sick, but when they do we need to be there for them... amazing doctors and nurses try to heal them physically, but people like Lori Hartwell and her team at RSN help them feel better emotionally. The Renal Prom is quite simply one of the greatest events of the year... helping kids be kids... and if playing poker helps Lori and her work? Then sign me up! —Phillip Palmer, ABC Eyewitness News

A great night of fun playing Bingo, meeting new people, and knowing that the RSN Celebrity Poker/Bingo event is for such a wonderful cause. —Christopher Ard

I'm a third rate player in a first class game. Every year I look forward to having good time with old friends and look forward to seeing who's new to the game. This is such a great event for an important cause- supporting people, especially the kids, living with kidney disease is a cause close to my heart. —Lee Cauble
