

RSN's Renal Teen Prom is Now National and Virtual!

**RSN's 22nd Annual
Renal Teen Prom**
Sunday, January 17, 2021

**GAME
Night**

Virtual Event For Young People
ages 14-24 Who Have Kidney Disease

GAMES, MUSIC, FRIENDS & FUN

There are no fees to attend, but registration is required by January 4, 2021. Learn more at [RSNhope.org/Prom](https://www.rsnhope.org/Prom)

For the past 21 years, RSN has hosted an annual prom at no charge to teens who have kidney disease. I was on dialysis from age 12-24. I began hosting this prom 22 years ago because I want young people living with kidney disease to have the opportunity to meet each other and not miss out on this time-honored, coming-of-age event. One friend can make a difference!

This year we're excited to be getting together online. This gives us a chance to see old friends and also make new friends from all across the United States. Each registered attendee will receive a special delivery box of gifts and goodies before the event. Each box will have raffle tickets, games, kidney-friendly snacks, drinks and more surprises!

There are no fees to attend, but registration is required by January 4, 2021 so we can have time to mail your **Game Night Gift Box** to open and enjoy during the virtual prom. Learn more at RSNhope.org/Prom.

I hope to see you there!
