Key Event Highlights:

- There are no fees to attend, meeting held virtually. All are welcome.
- Free Gift for Attending: All attendees receive a complimentary gift from RSN.
- The event starts later in the afternoon on the weekdays so that people who work can attend.
- Daily Focused Sessions: Each day will highlight a different stage or aspect of CKD, including topics such as diagnosis, dialysis, kidney transplants, and the management of daily lifestyle issues.
- Expert Speakers and Panelists: Renowned healthcare professionals and experts from the kidney community will offer advice and discuss the latest developments in kidney care.
- Patient and Caregiver Stories: Attendees will have the opportunity to hear inspiring personal stories from patients and caregivers who have firsthand experience managing CKD.
- Interactive Q&A Sessions: Participants will be able to engage directly with speakers and panelists, asking questions and gaining insight into various aspects of kidney disease management.
- Networking and Support: Hope Week will also feature opportunities to connect with others who are experiencing similar challenges, creating a supportive and uplifting environment.
- Youth and Family Day: Parents and youth share their tips for coping with challenges of a busy family life and young adults share their stories about transitioning to adulthood, finding independence, a career, dating and school.
- Lifestyle Expo: Explore virtual booths featuring kidney-friendly products, services, and resources.
